

Dear friend, I pray that you may enjoy good health and that all may go well with you... It gave me great joy to have some brothers come and tell about your faithfulness to the truth and how you continue to walk in the truth...

What a great joy to receive a letter from a dear friend who is praying for you, asking God to shield you with good health; to protect you from illnesses, and wishing you success and prosperity in your marital, professional, social and spiritual life.

The words that he sent you express his true tone of love and great concern to you. He has the delight to send this letter to you as his love has been reinforced by a good report that he received about:

1. Your faithfulness to the truth: Confessing the truth; that God sent His Son to die for your sin and to give you eternal life. This truth merits a consideration from each individual in this world.

2. Your continuity to walk in the truth: In following and serving Jesus all the days and in every aspect of your life; you are becoming a light to those who do not know God as you endeavor to be a good example for them.

This letter does not only bring joy and refreshment, but gears you to be at the high level of expectation because a friend wrote these precious words to you.

MY PRAYER

Father God, as I hold on to the truth and to the grace of Jesus, I ask You to help me to be at the level of expectation in front of You; to what You gave me, and before the people who put their trust in me. Fill me more with Your love that I can give to others. Fill me with Your Holy Spirit and enable me to do Your will all the days of my life. This is prayer in Jesus' name, Amen.
